

Cordless 58V Hedge Trimmer

This cordless hedge trimmer features a 58V MAX lithium-ion battery for powerful and efficient trimming. It is designed with dual-action blades to reduce vibration and provide clean cuts.

Product Overview

High-Performance Cordless Trimming

This 58V cordless hedge trimmer is engineered for professional-grade performance in residential and commercial landscape maintenance. Equipped with a high-efficiency brushless motor and dual-action blades, it delivers clean, precise cuts while minimizing vibration. The rotating rear handle design ensures maximum versatility and ergonomic comfort for complex trimming tasks.
