Product Overview

High-Performance Cordless Chainsaw

This 58V cordless chainsaw is engineered for demanding wood cutting tasks, combining professional-grade power with the convenience of battery operation. Featuring an efficient brushless motor and a sophisticated digital controller, the unit delivers consistent performance with enhanced battery protection. With ergonomic handling and essential safety features like an electric brake and automatic oiling, this tool is a reliable solution for professional landscapers and homeowners alike.

Technical Performance

High-performance brushless motor delivers consistent cutting power.

Max No-load Chain Speed	5800 rpm
Linear Velocity	11.2 m/s
Cuts per Charge (6" wood)	120

Cutting Specifications

Recommended Bar Length	50 cm / 18 inches
Chain Configuration	3/8 inch pitch, 0.050 inch gauge

Physical & Ergonomics

ZOMAX®

Ergonomic design optimized for maneuverability and reduced fatigue.

Weight Specs

3.8 kg

Base Weight (exc. battery/bar)

6.3 kg

Operating Weight (with battery/bar)

Vibration Level (Front/Rear)

- Front handle: 2.2 m/s²
- Rear handle: 2.8 m/s²

Safety & Maintenance

Detailed view of the automatic oiler and integrated braking safety system.

Key Features

- Brushless motor technology
- Electric controlled brake
- Automatic oiling system
- Variable speed throttle
- Integrated LED work light

Oil Tank Volume

200 ml

Sound Pressure Level

96 dB(A)
