

Cordless Branch Pruning Saw

This cordless pole saw is designed for trimming and pruning branches at a distance. The saw features a long, extendable pole and is powered by a rechargeable battery for cordless operation.

Product Overview

Efficient Cordless Pruning

This cordless branch pruning saw is designed for effortless trimming and maintenance of high branches, eliminating the need for hazardous ladders. Powered by an 18V lithium-ion battery, it offers the freedom of cordless operation for versatile garden and landscape work. The unit features an 8-inch chain guide and an automatic oiling system to ensure smooth, efficient cutting performance.
