

# Cordless Brushless Angle Grinder

This cordless angle grinder features a brushless motor for efficient performance and a long lifespan. It is designed for cutting, grinding, and polishing various materials.

## ADDITIONAL IMAGES

## Product Overview

### Professional Cordless Performance

This 18V brushless cordless angle grinder is engineered for efficient cutting, grinding, and polishing across a variety of materials. Featuring a high-performance brushless motor, it offers an extended lifespan and consistent power for demanding tasks. The cordless design eliminates the need for extension cords, providing the freedom of movement required for professional and DIY applications.

## Technical Specifications

### No Load Speed

**9500 rpm**  
Speed

### Voltage

18 V

### Compatible Disc Diameters

100mm, 115mm, 125mm

## Power System

### Supported Battery Capacities

- 3.0Ah
- 4.0Ah
- 5.0Ah

## Design & Ergonomics

### Power Source

Cordless • Lithium-ion

### Auxiliary Handle

Three-side adjustable
