

Cordless Brushless Grass Shears - 20V

These 20V cordless brushless shears are designed for efficient and precise pruning. They feature a high-performance brushless motor for extended runtime and durability.

Product Overview

Professional Cordless Pruning Solution

These 20V cordless brushless grass shears are engineered for high-efficiency landscaping and orchard maintenance. Featuring a durable brushless motor, the tool offers extended runtime, low noise operation, and superior endurance compared to standard brushed models. Designed with user safety and comfort in mind, it includes an ergonomic anti-slip handle and an electronic safety unlock switch.

Technical Specifications

Motor Technology	Brushless
Voltage	20 V
Battery Capacity	2 Ah
Battery Chemistry	Lithium-ion

Features

Key Features

- Brushless motor for high efficiency and low noise
- Adjustable shear size design
- Electronic safety unlock switch
- Battery level indicator
- Short circuit protection
- Ergonomic anti-slip soft grip handle

Performance Highlights

20 V Rated Voltage	2 Ah Battery Capacity
