Product Overview

Ergonomic design for professional field use.

High-Performance Cordless Power

This professional-grade cordless impact wrench features an advanced brushless motor design that provides superior power output without generating sparks. Engineered for demanding environments like construction sites and automotive maintenance, it delivers a high torque of 450N.m with stepless speed control for precision. Its ergonomic, lightweight construction and leather soft-grip handle ensure comfort and reduced fatigue during extended heavy-duty use.

Technical Specifications

High-capacity battery system for consistent operation.

Included rapid charging unit for Li-Ion batteries.

Maximum Torque	450 N.m
No-Load Speed	0-1700/0-2100 rpm
Impact Rate	0-2600/0-3100 bpm
Square Drive Size	1/2 inch
Motor Technology	Brushless
Power System	DC 20V Max Li-ion

Features

Product Highlights	Brushless Motor, LED Work Light, Variable Speed, Forward/Reverse Switch, Belt Hook
