

Cordless Chainsaw with Brushless Motor

This 58V chainsaw is a cordless tool designed for cutting wood. It features a brushless motor for efficient power and longer runtime.

Product Overview

High-Performance Cordless Power

This 58V cordless chainsaw is engineered for professional-grade wood cutting tasks, combining the efficiency of a brushless motor with the convenience of battery power. It features a reliable 16-inch Oregon bar and chain setup, ensuring smooth and consistent cutting performance. Designed with operator safety and ease of use in mind, it includes dual mechanical and electronic braking systems alongside a convenient tool-less chain tensioning mechanism.

Technical Specifications

Motor Type	Brushless
Voltage	58 V
Bar Length	16 inch
Chain Speed	18 m/s

Features

Convenience Features

- Tool-less chain tensioning
- Automatic chain oiler
- Ergonomic handle design

Safety Systems

Mechanical Brake, Electronic Brake, Dual Protection
