Product Overview

High-Performance Cordless Power

This professional-grade 18V/20V brushless circular saw provides the ultimate in cordless flexibility for both indoor and outdoor woodworking applications. Engineered for precision, it features adjustable cutting depth and bevel angles up to 50 degrees to handle a variety of joint and bevel cuts. With an ergonomic rubberized grip and a high-capacity lithium-ion battery system, this tool is designed for extended runtime and maximum durability on the job site.

Technical Specifications

Motor Type	Brushless motor #6030
Rated Voltage	18 V
No-Load Speed	3600 RPM
