

Cordless Drill Driver

This cordless drill driver is a versatile power tool designed for drilling holes and driving screws into various materials. It features a variable speed motor, adjustable torque settings, and a keyless chuck for easy bit changes.

Overview

Versatile Cordless Performance

This cordless drill driver is engineered for efficiency in both drilling and fastening tasks. Featuring a 12V lithium-ion battery system, it provides the reliability needed for general repairs, construction, and assembly work. With adjustable torque settings and variable speed control, it offers the precision required for working with a variety of materials including wood, steel, and aluminum.

Performance Metrics

Maximum Torque

25 N.m

Max Torque

No-load Speed

350 / 1100 rpm

Torque Settings

16 + 1 (Drilling)

Drilling Capacity

Max Drilling Diameter

Material	Max Diameter
Steel	10mm
Aluminum	10mm
Wood	20mm

Technical Specifications

Voltage

12 V

Battery Capacity

1.3Ah Li-ion

Max Chuck Capability

10 mm
