

Cordless Drill Driver with LED Light

This compact cordless drill driver features a variable speed motor for precise control and a built-in LED light for illuminating dark work areas. It is designed for drilling and screwdriving tasks in various materials.

Product Overview

Compact Cordless Drill Driver

This versatile cordless drill driver is engineered for precision in both drilling and screwdriving applications. Featuring an integrated LED work light, it ensures visibility in dark or confined spaces, while the ergonomic design helps reduce operator fatigue during prolonged use. With adjustable torque settings and variable speed control, it provides the accuracy required for professional tasks across various materials.

Performance Specifications

Maximum Torque

6 N.m

Max Torque

Torque Settings	20 torque settings + 1 drilling setting
No-Load Speed	300 / 1000 rpm

Drilling Capacity

Drilling Capacity

Material	Max Diameter
Steel	8 mm
Wood	14 mm

Power and Mechanics

Battery Type	1.3Ah Li-ion
Voltage	10.8 V
Max Chuck Capability	10 mm

Logistics

Packaging Details

- Pieces per carton: 5
- Carton dimensions: 51 x 38.5 x 28 cm
