

# Cordless Drill Driver with Variable Speed and Adjustable Clutch

This cordless drill driver is designed for drilling holes and driving screws. It features a variable speed motor, adjustable clutch settings, and a keyless chuck.

## Product Overview

### Professional Cordless Drill Driver

This cordless drill driver is a versatile power tool designed for efficient drilling and screwdriving across various materials. Equipped with a variable speed motor and adjustable clutch settings, it provides precise torque control for diverse applications. The ergonomic design ensures user comfort during extended use, while the rechargeable Li-ion battery offers the convenience of cordless operation.

## Technical Specifications

### Maximum Torque

**26 N.m**

Max Torque

### Drilling Capacity

Material	Max Diameter
Steel	12 mm
Aluminum	12 mm
Wood	24 mm

Torque Settings	18 torque settings + 1 drilling setting
No-Load Speed	400/1200 rpm
Max Chuck Capacity	10 mm

## Power System

### Battery Type

Li-ion

Battery Capacity	1.3 Ah
Voltage	14 V

## Logistics

### Packaging Details

- Pieces per carton: 5
- Carton dimensions: 55 x 32 x 30 cm
