Product Overview

Professional Cordless Performance

This 40V Li-ion cordless hedge trimmer combines powerful brushless motor technology with a dual-action laser-cut blade for efficient, fluid cutting performance. Designed for both residential and professional use, it offers cordless convenience without sacrificing power, ensuring a quiet working environment and reduced fatigue. The system supports flexible battery and charger configurations to meet diverse operational needs.

Technical Specifications

Motor Type	Brushless
Blade Type	Dual action, laser cut
Cutting Length	530 mm
Max Cutting Diameter	22 mm
Blade Speed	1300 Circle
