

Cordless Electric Kettle with Water Level Indicator

This cordless electric kettle boils water quickly and efficiently. It features a visible water level indicator for easy monitoring.

Product Overview

Efficient Boiling Solution

This cordless electric kettle is designed for rapid and efficient water boiling, making it an essential appliance for office pantries, hospitality settings, or home kitchens. It features a clear, external water level indicator with precise volume markings to prevent overfilling and ensure energy efficiency. The user-friendly design includes a comfortable handle and a convenient lid release button for easy operation.
