

Cordless Grass Trimmer with Adjustable Head

This cordless grass trimmer is designed for trimming grass and weeds in gardens and lawns. It features a lightweight design for easy maneuverability and a powerful motor for efficient cutting.

Overview

Professional Cordless Performance

This cordless grass trimmer is engineered for efficiency and ease of use in garden maintenance. Featuring a telescopic aluminum shaft and an over-molded handle, it provides ergonomic control for trimming grass and weeds. The powerful motor delivers a no-load speed of 8000rpm, ensuring clean cuts with every pass.
