Overview

High-Performance Cordless Impact Drill

This versatile 18V cordless impact drill is engineered for demanding professional applications, offering the perfect balance of power and precision. With a brushless motor and high-torque output, it efficiently handles heavy-duty fastening and drilling tasks across steel, concrete, and wood. Its ergonomic design, combined with variable speed control and an auxiliary handle, ensures user comfort and operational stability during extended use.

Technical Specifications

Voltage	18 V
Battery Capacity	3.0Ah, 4.0Ah

Performance Metrics

Key Performance Metrics

130 NM Max Torque	27750 ipm Impact Rate
No Load Speed	0-460 / 0-1600 rpm

Drilling Capacity

Drilling Capacity by Material

Material	Capacity
Steel	13mm
Concrete	16mm
Wood	75mm
Ice	150mm

Features

Key Features

- Brushless motor technology
- Variable speed trigger
- Keyless chuck
- Integrated LED work light
- Auxiliary handle for control

Torque Range

20+1
