

Cordless Impact Drill with Adjustable Clutch

This cordless impact drill features an adjustable clutch with multiple torque settings for precise control when fastening screws. It is powered by an 18V lithium-ion battery, providing ample power and runtime for various drilling and fastening tasks.

Product Overview

Versatile Cordless Performance

This cordless impact drill is designed for the DIY enthusiast, offering flexible power options ranging from 12V to 18V. Equipped with a high-performance 550 motor, it features a 21+1 torque setting and an adjustable clutch for precise fastening control. With integrated LED lighting and battery status indicators, this tool ensures efficiency and accuracy in various drilling and driving applications.

Technical Specifications

Speed Performance

Configuration	Speed Range
Single Speed	0-700 rpm
Two Speed	0-400 / 0-1500 rpm

Motor Class	550 Series DC Motor
Torque Settings	21 + 1
Chuck Capacity	10 mm

Power & Battery

Battery Capacities

- 1.3Ah
- 1.5Ah
- 2.0Ah

Voltage Options	12V, 14.4V, 18V
-----------------	-----------------

Charger Options	1h Fast Charger, 3-5h Standard Charger
