

# Cordless Impact Drill with Brushless Motor

This cordless impact drill features a brushless motor for enhanced power and durability. It operates on a DC20V power supply and includes an impact drilling function for easier drilling.

## ADDITIONAL IMAGES

## Product Overview

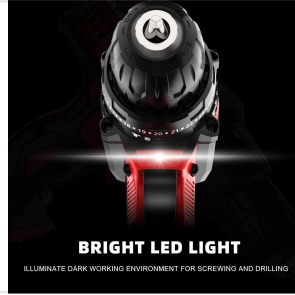

Professional-grade cordless impact drill with brushless motor technology.

### Professional Cordless Performance

This professional-grade cordless impact drill features a high-efficiency brushless motor designed to deliver consistent power for demanding drilling and driving tasks. With a 13mm self-lock metal chuck and 45N.m of maximum torque, it provides the versatility required for various materials including wood, metal, and plastic. Designed for comfort and precision, it includes an ergonomic soft-grip handle, integrated LED work light, and a belt hook for convenience in any working environment.

## Technical Specifications

Features 18+1 torque settings and integrated LED illumination for precision work.

Motor Type	Brushless Motor (No. 775)
Maximum Torque	45 N.m
No-Load Speed	0-400rpm / 0-1400rpm
Chuck Capacity	13 mm
Torque Settings	18+1

## Power & Battery

Compatible with the 18V/20V Max battery system, supporting various power tools.

### Battery Capacity

- 2000mAh (Standard)
- 4000mAh (Optional)

Voltage	18V (20V Max)
---------	---------------

## Certifications

Safety Compliance	GS, CE, EMC, ROHS, UL, ETL, BSCI
-------------------	----------------------------------

## Package Contents

### Package Contents

- Cordless Impact Drill
- Battery Pack
- Fast Charger
- Belt Clip
- 2 x Batch Headers
- 2 x Screwdriver Bits
- User Manual
