

# Cordless Power Drill with Brushless Motor

This cordless drill features adjustable torque settings and a brushless motor. It is equipped with a variable speed trigger, LED work light, and a belt clip.

## Overview

### High-Performance Cordless Drilling Solution

This 18V cordless power drill is engineered with a high-efficiency brushless motor to provide reliable performance for demanding tasks. It features a versatile 16+1 torque setting and a dual-speed mechanical gearbox, allowing for precise control across various materials. Designed for professional ergonomics, it includes a rubber over-moulded grip and an integrated LED work light for enhanced visibility in dark workspaces.

## Performance

### Key Performance Metrics

**45 N.m**

Max Torque

**18 V**

Voltage

**13 mm**

Chuck Size

## Technical Specifications

No-load Speed	0-350 / 0-1250 rpm
Torque Settings	16 + 1 positions
Chuck Capacity	1/2 inch (13mm)

## Battery & Power

### Available Battery Capacities

- 1300mAh
- 1500mAh
- 2000mAh

### Battery Technology

Lithium-Ion

## Features

Mechanical Features	Brushless Motor, Two Mechanic Gears, Variable Speed Trigger
Convenience & Safety	LED Work Light, LED Light Indicator, Rubber Over-moulded Grip, Belt Clip
