

Cordless Power Shear

This cordless shear is a versatile tool for cutting various materials with ease. It is powered by an 18V lithium-ion battery, providing ample power and runtime for demanding tasks.

Overview

Professional Cordless Shear

This 18V cordless shear is a versatile and powerful tool engineered for precision cutting in demanding environments. Designed with high-quality steel components, it delivers clean cuts across various materials including sheet metal, cardboard, and plastic. Its ergonomic build ensures comfortable handling during extended use, making it an essential addition to any professional toolkit.

Performance

Maximum Torque

28 N.m

Max Torque

Cutting Capacity

0.2-1.5mm (steel sheet)

Technical Specifications

Power Source

18V Li-ion

Speed Settings

- 0-400 RPM
- 0-1400 RPM

Model Number

BC0901

Shear Frequency

1400 RPM
