Product Overview

Professional Cordless Reciprocating Saw

This versatile 18V cordless reciprocating saw is engineered for demanding cutting tasks in demolition, remodeling, and general construction. Featuring a high-performance motor and variable speed control, it allows users to optimize performance across various materials like wood and metal. Its compact, ergonomic design ensures maneuverability in tight spaces while reducing operator fatigue during extended use.

Technical Specifications

No Load Speed

2800 spm
Max Speed

Voltage	18 V
Stroke Length	22 mm

Cutting Capacity

Max Cutting Capacity

Material	Max Depth
Wood	175 mm
Metal	12 mm

Features

Key Features

- LED worklight for visibility
- Tool-free quick blade change system
- Adjustable pivoting shoe for stability
- Variable speed trigger for precision

Power & Charging

Battery Features

LED Charge Indicator • Li-ion Technology

Charging Time

1 hour

Included Accessories

Included Items

1x Li-ion Battery, 1x Charger, 1x Wrench, 1x Wood Blade
