Product Overview

Versatile Steam Ironing Solution

This versatile steam iron offers the flexibility of both corded and cordless operation, allowing for unrestricted movement during use. Equipped with a high-performance ceramic soleplate, it ensures smooth gliding across various fabric types while preventing sticking and scorching. Designed for efficiency, it features rapid heating, variable temperature controls, and multiple steam functions including burst and continuous steam.

Performance Metrics

Power Rating

2600 W
Max Power

270 ml
Water Tank Capacity

Steam Performance

0.6 g/time
Burst of Steam

25 g/min
Continuous Steam

Technical Specifications

Electrical Requirements

Parameter	Value
Voltage	220-240V / 100-127V
Frequency	50/60Hz

Dimensions

- Unit size: 320 x 133 x 145 mm
- Soleplate size: 231 x 120 mm

Features & Safety

Safety & Certifications

CE • GS • CB • RoHS • Overheat Protection

Core Functions

Dry Ironing, Spray, Steam, Burst of Steam, Self-Cleaning, Cord/Cordless Operation
