

Cordless Telescopic Pole Chainsaw

This cordless telescopic pole chainsaw is powered by a 20V lithium-ion battery. The adjustable pole provides extended reach for trimming high branches safely.

ADDITIONAL IMAGES

Overview

The lightweight design allows for easy pruning of high branches without a ladder.

Versatile Cordless Pruning Solution

This 20V Li-ion telescopic chainsaw is designed for safe and efficient branch lopping without the need for ladders. It features an adjustable reach from 2.5 to 3.2 meters and is part of a universal battery family that powers multiple garden tools. Equipped with a high-quality Oregon chain and bar, it offers tool-free adjustments for maximum convenience during garden maintenance.
