

Cordless Vacuum Blower

This cordless vacuum blower is a versatile tool for blowing and vacuuming debris. It features a lightweight design and a powerful motor for efficient performance.

Product Overview

Versatile Cordless Cleaning Power

The 18V Cordless Vacuum Blower is a versatile, high-performance tool engineered for efficient debris management. Featuring a lightweight design, it allows for easy maneuverability across yards, patios, and driveways. With variable speed settings and a quick-release nozzle, users can seamlessly switch between blowing and vacuuming modes to handle leaves, grass clippings, and other debris with precision.

Technical Specifications

Model Number	BC5001
Power Source	18V Li-ion
No-Load Speed	17500 RPM
