

Cordless Wet and Dry Handheld Vacuum

This compact, cordless vacuum is designed for both wet and dry cleaning tasks. It is equipped with multiple attachments and powered by a 7.4V lithium-ion battery.

Overview

Versatile Wet & Dry Cleaning

This cordless handheld vacuum cleaner is engineered for efficient spot cleaning of both wet and dry messes in homes, offices, or vehicles. Powered by a high-capacity 2200mAh lithium-ion battery, it provides 20 minutes of consistent performance on a single charge. Its lightweight, ergonomic design includes specialized nozzles for liquid spills and tight crevices, ensuring maximum utility for professional environments.
