Product Overview

A versatile wet and dry vacuum cleaner featuring a powerful cyclonic system.

Versatile Cleaning Solution

This 2-in-1 cordless wet and dry vacuum cleaner is designed for efficient cleaning across home, office, and automotive environments. It features a bagless cyclonic system with a HEPA filter to maintain air quality and a foldable handle for space-saving storage. Its lightweight construction combined with a powered floor head makes it an ideal tool for managing pet hair and daily messes.
