

Cotton Car Seat Cover with Lumbar Support

This car seat cover is made from cotton and features a striped pattern. It includes a headrest and lumbar support for added comfort.

Product Overview

Comfort and Ergonomics

This premium cotton car seat cover is designed to enhance driving comfort through integrated lumbar support and headrest functionality. Crafted from soft, breathable cotton, it provides a superior seating experience for long journeys. The universal design ensures easy installation across a wide range of vehicle models, making it a versatile choice for fleet upgrades or retail inventory.
