Product Overview

Advanced Countertop Purification

This countertop water purifier provides a convenient solution for accessing hot and cold filtered water in home or office environments. Featuring a 3-stage filtration system including PP, UV light, and T33 filters, it ensures high-quality water output. The design emphasizes user-friendly maintenance with a side-door access panel for easy cartridge changes and an integrated function display light.

Filtration System

Filtration Stages	3-stage (PP + UV light + T33) or optional 2-stage
Filter Types	PP, UV Light, T33

Technical Specifications

Inlet Water Pressure

0.1 MPa

Min Pressure

0.4 MPa

Max Pressure

Electric Protection Class

Class I

Rated Voltage	220V/50Hz or 110V/60Hz
Ambient Temperature Range	5 [^] 38

Logistics

Weight

14 kg

Net Weight

16 kg

Gross Weight

Packing Size

41 x 39 x 61 cm

Container Loading (20/40HQ)

300 / 600 PCS
