

# Crystal Accent LED Spot Lamp

This spot lamp features a crystal-accented outer casing, providing a decorative touch to functional lighting. The lamp is designed for flush mounting, offering a seamless integration into ceilings or walls.

## ADDITIONAL IMAGES

## Product Overview

### Sophisticated Accent Lighting

This crystal-accented LED spot lamp combines functional illumination with a luxurious aesthetic, designed for modern residential and commercial interiors. Its flush mount profile ensures seamless integration into ceilings or walls, making it an ideal choice for spaces with varying height requirements. The multifaceted crystal elements refract light to create a stunning sparkling effect, providing both an elegant ambiance and efficient, long-lasting performance.
