

Curved Glass Ice Cream Display Case

This refrigerated display case is designed for showcasing and preserving ice cream. It features a curved glass top for optimal product visibility, stainless steel containers, and a temperature control system.

Product Overview

Professional Ice Cream Display Solution

This commercial-grade ice cream display case is engineered to optimize product visibility and preserve quality. Featuring a sleek curved glass top, it provides an unobstructed view of ice cream flavors while maintaining precise serving temperatures. Designed for high-traffic environments like parlors and cafes, the unit includes durable stainless steel containers and integrated interior lighting to enhance presentation.
