

Customizable Sublimation iPad Sleeve

This sublimation iPad sleeve protects the iPad from scratches and bumps. It features a sublimation-ready surface, allowing for customized designs, logos, or images.

Product Overview

Professional Grade Protection and Customization

This versatile sleeve is engineered to protect tablets and laptops from scratches, bumps, and daily wear. Crafted from high-quality, water-resistant neoprene, it offers a perfect balance of durability and a lightweight profile. The front surface is optimized for sublimation printing, making it an ideal choice for businesses looking to showcase custom designs, branding, or promotional graphics.
