

Cylindrical Outdoor Pathway Light Set

This set includes three black cylindrical outdoor pathway lights. They feature different white plastic light diffusers and pointed stakes for easy ground insertion.

Product Overview

Elegant Outdoor Illumination

This set of three cylindrical outdoor pathway lights is designed to enhance the visibility and aesthetic appeal of your garden or outdoor walkways. Featuring a durable design with pointed stakes for secure ground insertion, these lights are built for easy installation in various soil types. The set includes three distinct diffuser styles—rounded, conical, and ribbed—providing a versatile lighting solution for residential or commercial landscaping projects.
