

Dark Green Marble Serving Plate

This marble fruit plate is crafted from high-quality natural marble, showcasing a beautiful texture. Its flat, smooth surface features delicate patterns, enhancing its elegance.

Overview

Elegant Dark Green Marble Serving Plate

This rectangular serving plate is crafted from high-quality dark green marble, offering a sophisticated aesthetic for professional food presentation or decorative use. The polished surface highlights the natural variations in color and veining, ensuring that every piece is unique. Featuring a practical raised edge, this durable marble plate combines functional design with a premium natural finish suitable for high-end B2B environments.
