

Dashboard Cleaning and Protectant Wax

This dashboard wax is designed to provide a protective layer while enhancing the dashboard's appearance. It cleans, polishes, and protects the surface, preventing fading and cracking.

Product Overview

Dashboard Maintenance Solution

This premium dashboard cleaning and protectant wax is formulated to clean, polish, and protect vehicle interior surfaces. It creates a durable protective layer that helps prevent fading and cracking caused by sun exposure and environmental factors. Designed to deliver a long-lasting shine, it leaves behind a pleasant fragrance while maintaining the integrity of your vehicle's interior materials.
