

# DC Power Cord with Barrel Connector

This power cord is suitable for various electric appliances using a non-standard DC plug. It features a 5.5mm DC female plug.

## Product Overview

### Reliable Power Connectivity

This non-standard power cord is engineered for versatile low-voltage applications, featuring a standard 5.5mm DC female barrel connector. Designed for durability, the cord is constructed from high-quality materials suitable for small appliances, audio equipment, and various consumer electronics. It offers a secure and stable power delivery solution for your specific device requirements.

## Technical Specifications
