

Decorative Compression Spring Assortment

Decorative compression springs featuring cartoon animals and floral patterns add a whimsical touch. These springs are suitable for light-duty applications and aesthetic purposes, making them ideal for decorative items or children's products.

Product Overview

Decorative Compression Spring Assortment

This assortment of compression springs is designed for light-duty applications where visual appeal is as important as functionality. Featuring a distinct yellow color scheme, each unit is finished with high-quality illustrations, including cartoon animals and floral motifs. These springs are ideal for use in decorative crafts, children's novelty products, and creative DIY projects.
