

Decorative Fireplace Screen with Metal Art Panel

This decorative fireplace screen features an intricate metalwork design. It comes with a separate decorative metal art panel depicting a stylized figure.

Product Overview

Elegant Decorative Metalwork

This decorative fireplace screen features an intricate, golden-hued metal design showcasing herons amidst foliage. The three-panel construction allows for stable, free-standing placement, making it a functional yet artistic addition to any interior space. The set also includes a complementary stylized metal art panel, perfect for enhancing the aesthetic appeal of your home decor.
