

Decorative Globe Night Light

These night lights feature decorative globe covers with hand-painted designs. They plug into standard electrical outlets and include an on/off switch.

Product Overview

Ambient Decorative Lighting

This decorative globe night light offers a soft, comforting glow perfect for bedrooms, nurseries, or hallways. Featuring a variety of hand-painted designs, each globe is crafted from translucent material that effectively diffuses light. It provides a convenient, plug-and-play lighting solution for any standard electrical outlet, complete with an integrated on/off switch.
