

Decorative Handicraft Set with Figurines and Shapes

This set features nine decorative handicrafts with gold and bronze finishes. The designs include human figures, animals, abstract shapes, and tools, each displayed on a small base.

Product Overview

Artistic Decorative Handicraft Collection

This collection of nine decorative handicrafts offers a versatile range of designs, including human figures, animals such as sheep and horses, abstract shapes, and utility-inspired tools like shovels. Crafted with a premium gold or bronze finish, these pieces are designed to elevate interior decor aesthetics. Each item is mounted on a stable base, making them ideal for display in professional offices, high-end retail spaces, or luxury residential settings.
