

Decorative Metal Spring Set with Floral Heart Design

This set features four decorative springs of varying shapes and sizes. Each spring has a metallic purple finish and a white heart-shaped design with floral accents.

Product Overview

Decorative Spring Collection

This decorative metal spring set features a sophisticated floral heart design, perfect for adding a whimsical and artistic touch to creative projects. Finished in a distinct metallic purple, these springs serve as high-quality embellishments for crafts or specialized assembly needs. The set includes four distinct shapes and sizes, ensuring versatility for a variety of design applications.
