

# Decorative Stained Glass Fireplace Screen

This decorative fireplace screen features stained glass in an arched design. The screen incorporates seashell and floral motifs, framed in dark wood.

## Product Overview

### Elegant Stained Glass Fireplace Screen

Enhance your interior decor with this exquisite decorative fireplace screen, crafted with detailed stained glass artistry. The design features an arched central panel highlighting a sophisticated seashell motif with radiating lines and floral accents, complemented by side panels adorned with intricate vine patterns. Framed in a classic dark wood, this piece brings a touch of vintage elegance and artistic charm to any living space.
