Product Overview

High-Performance Deformable Garage Lighting

This deformable LED garage light features a versatile multi-panel design, allowing for adjustable light direction to suit workshops, garages, and industrial spaces. Constructed with durable PC and aluminum, it provides efficient heat dissipation and bright illumination. With easy, tool-free installation into standard E26/E27 sockets, it offers a practical and energy-efficient upgrade for demanding environments.

Technical Specifications

Available Wattage	80W, 100W, 150W
Input Voltage	85-265V
Color Temperature	6500K (Daylight White)
Base Type	E26, E27
LED Chip	SMD2835 (0.5W/pc)

Performance Metrics

Key Performance Metrics

11000 LM
Brightness

50000 Hours
Lifespan

80 +
CRI

Light Coverage: 270 degrees

Construction & Design

Material	PC + Aluminum
Foldable Angle	0-90°

Logistics & Packaging

Packaging Specifications

Item	Details
Single Box Size	13.8 x 13.8 x 21.5 cm
Carton Quantity	18 pcs
Carton Size	45 x 45 x 45 cm
Gross Weight	16.5 kg
Net Weight	15 kg

Certifications & Warranty

Certifications

CE • RoHS • FCC

Guarantee

2 years
