

Denim and Leather Work Gloves

These work gloves feature a combination of blue denim and white leather. Designed for hand protection during various tasks, these gloves offer a comfortable fit and enhanced grip.

Product Overview

Professional Protection & Comfort

These durable work gloves feature a robust combination of blue denim and white leather, engineered for reliable hand protection. The leather palm and fingers offer superior abrasion resistance, while the denim cuff provides essential wrist support. Designed for versatility, they provide a comfortable fit and enhanced grip for construction, gardening, and general-purpose tasks.
