Product Overview

Dual-Function Desktop Air Quality Solution

The A17A is a versatile desktop appliance that combines high-efficiency air purification with integrated humidification. Featuring a high-grade H13 HEPA and activated carbon filtration system, it effectively removes smoke, allergens, and fine particles. With smart app control and automated sensors, it provides a seamless experience for maintaining a healthy indoor environment in spaces up to 13m².

Technical Specifications

Product Model	A17A
Recommended Area	7-13m ²
Rated Voltage	24 V
Maximum Noise	53.5 dB(A)

Filtration & Air Quality

Filter System	H13 HEPA, Activated Carbon, High Grade
CCM Rating	P1

Smart Features

Control & Automation

- Full App Control
- PM2.5 Sensor Monitoring
- Humidifier Sensor
- Auto-measure & Intelligent Adjustment
- Timer Setting
- Filter Change Reminder

Operating Modes

- 3 Speed Settings
- Sleep Mode
- Auto Mode

Compliance & Quality

Comprehensive quality assurance including CE, CB, and EMC compliance certifications.

Product Certifications

CE • CB • CCC • CQC • ERP • ISO9001:2008
