Available in multiple finishes including White, Gray, and Silvery to match any office or home decor.

High-Efficiency Desktop Air Purification

The KJ100G-J107 is a compact desktop air purifier designed for personal spaces up to 12-20 square meters, delivering a CADR of 100m³/h. It features a sophisticated 6-stage purification system including HEPA and UV light to eliminate 99.99% of bacteria and common airborne pollutants. With its intuitive LED touch panel and ultra-quiet 23dB sleep mode, it provides a healthier indoor environment without disrupting your work or rest.

Performance Metrics

Ultra-quiet operation at 23dB with display-off mode for an undisturbed sleep environment.

Filtration System

3 Stage Purification

Advanced multi-stage filtration system including Pre-filter, HEPA, and Carbon layers.

360° DEGREE PURIFICATION

Cylindrical design allows for 360-degree air purification to capture pollutants from all directions.

6-Stage Purification Technology

- Pre-filter (Large particles)
- True HEPA filter (Particles down to 0.7 microns)
- Activated Carbon (Odors and VOCs)
- Photocatalyst
- UV Light Sterilization (99.99% Bacteria removal)
- Negative Ion Generator

Target Pollutants

PM2.5, Smoke, Benzene, Dust, Formaldehyde, Bacteria, Viruses, Pollen, Pet Dander

Control & Intelligence

Intuitive LED touch panel featuring PM2.5 display, air quality indicators, and multi-mode selection.

Smart Controls

Feature	Description
Interface	LED Touch Screen Panel
Sensors	PM2.5 Dust Sensor
Air Quality Indicator	Color-coded (Good, Moderate, Poor)
Timer	1-8 Hours adjustable
Modes	Auto, Sleep, Normal (3-5 speeds)

Technical Specifications

Motor Type	DC Motor
Filter Lifespan	3000 Hours with replacement indicator
Operating Noise	25dB - 46dB

Physical Dimensions

Compact 330mm height design suitable for desks, providing up to 5 air changes per hour.

Product Size	200 x 200 x 330 mm
Weight (N.W/G.W)	3kg / 4kg

Logistics & Compliance

Certification

*CE, CB, CQC approval of **air purifier**

Compliant with international standards including CE, CB, and CQC for global market access.

Container Loading Capacity

Container Type	Quantity (PCS)
20GP	1050
40GP	2100
40HQ	2500

Safety Certifications

CE • CB • CQC • ISO 9001
