

Detachable Foldable Aluminum Trailer Fence Set

This detachable trailer fence set features a foldable frame. It is constructed from durable aluminum alloy.

Product Overview

Versatile Trailer Solution

This detachable and foldable aluminum trailer fence set provides a high-quality, lightweight solution for securing trailer loads. Engineered with a durable alu-alloy frame, it combines structural integrity with ease of use. The foldable design allows for efficient storage and quick configuration changes, making it an essential upgrade for professional trailer operators.
