

Diagonal Cutting Pliers

These diagonal cutting pliers are designed for professional use. They feature precision-ground cutting edges and ergonomic handles.

Overview

High-Leverage Performance

These diagonal cutting pliers are engineered for demanding professional tasks, offering exceptional durability and long service life. Manufactured from hardened steel, they feature precision-ground edges that deliver clean, flush cuts on wires, cables, and small metal components. The ergonomic handle design ensures a secure grip, minimizing hand fatigue during extended operations.

Technical Details

Suitable Applications

- Electrical work
- Construction
- General maintenance

Material	Hardened Steel
Key Features	High-leverage, Precision-ground edges, Ergonomic handle, Smooth joint operation
