

Diagonal Cutting Pliers - 6 inch, American Type

These 6-inch diagonal cutting pliers are designed in the American style. They feature hardened cutting edges for durability and are suitable for cutting wire, cable, and small fasteners.

Product Overview

Professional Grade Diagonal Cutting Pliers

These 6-inch American-type diagonal cutting pliers are designed for durability and precision in professional environments. Constructed from high-quality steel, they offer excellent resistance to corrosion and strength for cutting wire, cable, and small fasteners. Their compact, ergonomic design ensures comfort during prolonged use and allows for easy access in tight workspaces.
