

Diamond Cutting Wheel

This diamond cutting wheel is designed for precise cutting of various materials. Its durable construction ensures long life and efficient material removal.

Product Overview

Professional Diamond Cutting Disc

This high-performance diamond cutting disc is engineered for precision and efficiency in wet cutting applications. Designed for compatibility with standard angle grinders, it ensures clean, accurate cuts across various materials with minimal chipping. Its durable construction is built to withstand rigorous use, making it an excellent choice for both professional construction tasks and demanding DIY projects.

Technical Specifications

Cutting Method

Wet Cutting

Available Sizes (Diameter * Thickness * Bore)

- 115mm * 7mm * 22.2mm
- 125mm * 7mm * 22.2mm
- 150mm * 7mm * 22.2mm
- 180mm * 7mm * 22.2mm
