

Diamond Series LED Downlight

The Diamond Series LED Downlight is a high-performance lighting solution designed for modern interiors. Available in multiple wattage options, these downlights offer varying lumen outputs to suit different lighting requirements.

Overview

High-Performance Diamond Series LED Downlight

The Diamond Series LED Downlight is a versatile, high-performance lighting solution engineered for modern interior environments. Available in a range of wattages and lumen outputs, these units provide flexible lighting options to suit various architectural needs. Designed for durability and efficiency, they feature a robust lifespan, rapid startup, and full compliance with international safety and environmental standards.

Technical Specifications

IP Rating

IP20

Operating Temperature Range

-20°C to +40°C

Rated Lifespan

15000 h

Switching Cycles

30000

Color Rendering Index (CRI)

Ra e 80

Beam Angle

120 °

Model Variants

Model Specifications

Item No.	Watt (W)	Lumen (Lm)	Dimensions (mm)	Cut Size (mm)
SL-DW-7	7	380	95x60	∅ 72
SL-DW-9	9	720	120x74	∅ 93
SL-DW-12	12	1200	140x90	∅ 117

Compliance

Certifications

CE, EMC, RoHS
