## Product Overview

### RW FEATURES

Look like a real book and will blend seamlessly into your book shelf. Specially designed to protect your valuables in a secret way.

-  COVER MATERIAL: Imported crepe paper or non-woven fabric
-  STRUCTURE: Hollow inside for valuables hidden
-  KEY: With the key to open and close (for B series)
-  LOCK: Combo lock (for A series)

Showcasing the seamless design that mimics a real book for maximum discretion.

### Discreet Security Solution

The Dictionary Diversion Book Safe is designed to blend seamlessly into any bookshelf or desk environment, offering a clever way to conceal valuables. Constructed with a rigid alloy steel core and finished with high-quality cover materials, this safe protects cash, jewelry, and documents without drawing attention. It is available in two secure locking variations, making it an ideal choice for home, office, hotel, or personal use.
